### **JUNIOR SOFTBALL and BASEBALL -- Ages 7 to 8**

The intent of the junior program is to offer athletes, ages 7 to 8, the chance to learn the skills, positions, and rules of baseball in competitive team play. Teams will play two games per week. ***Rule changed in 2006 and continues in 2012***– safety baseballs are used as they better fit smaller hands for learning fundamentals and they are softer and safer to use. **Questions about Junior registration? ## CLINIC SESSIONS

All players (including existing Bank League players) wishing to play in competitive programs are expected to participate in their respective clinics and skills evaluation sessions for their age group. Players will be asked to run, throw, field grounders and flies, and bat. This enables coaches to get an idea of a player's skill level so that teams may be selected that are as evenly balanced as possible. Team managers will be present to assess players' skill levels. The purpose of these sessions is to make it possible for coaches to get to know the players and to help the players develop basic skills. These sessions will be held:

Catcher's equipment will be provided by WLLL, but catchers MUST provide their own extra protection; by Little League rule, protective cups are required equipment for all catchers. Participants must wear sneakers or rubber cleats - - - METAL CLEATS ARE NOT ALLOWED. All bats must have the Little League Approved logo if they are to be used in any of our leagues.

*New in 2006 and continues in 2012* – all players will be required to wear league-provided batting helmets with attached face mask!

## INSURANCE

Registration fees allow us to obtain secondary insurance for participants. Claims resulting from any injuries incurred at any scheduled game or practice must first be submitted to the parent's insurance company. Claims for coverage in excess of the parent's policy should be submitted to Little League insurance through the League President.

## FIELD DAY

One day is set aside for getting fields ready for the season. **Field Day is scheduled for Saturday, April 21** beginning at 9:00 a.m. **Every player and parent is expected to come and help out for at least an hour.** (Weather date is 04/28/12)

**One final note:** We are very proud of the Little League program that this community has enjoyed for many years. It is a program which emphasizes growth and development for our children in a positive and healthy way. Making this program work requires the involvement of ALL parents. Whether you serve as a manager, coach, team parent, or umpire, your involvement is welcome and necessary. Your participation in Field Day makes the task of getting the fields ready for play less of a burden for everyone.

**Please remember that having children in Little League requires more than just dropping them off and picking them up.**
